Feedback from the PRG meeting of the 13th. June

Patient and Public Participation

The CCG have produced a document entitled "Patient and Public Participation in Commissioning Health and Care. The document had 10 sections which together detailed the principles the CCG would follow in terms of Public and patient Participation.

The document was supported by the Statutory Guidance on such matters.

Proposed changes to prescriptions and medicines in Derbyshire

The CCG had produced a document detailing proposals around reducing the expenditure on medicines which in the year 2016/7 came to over £150 million.

A survey has been designed to test local opinion on the matter.

Next meeting The second Monday in September 2017.
